

ARE WE READY TO BE AN ALL TRUE MEN CHAPTER?

ALL TRUE MEN CHAPTERS AGREE TO:

1. Hold each member accountable for behavior that is inconsistent with the spirit of his Oath, or is unacceptable as stated in Chapter and/or Fraternity policy

- We already do this!
- We do this partially/sometimes/occasionally....but not consistently.
- We are not doing this now, but we would commit to working on it.
Are there potential obstacles the chapter might face in implementing this? If so, what are they:

2. Maintain or improve successful chapter operations by working to consistently exceed Theta Xi's Accreditation Standards

- We already do this!
- We do this partially/sometimes/occasionally....but not consistently.
- We are not doing this now, but we would commit to working on it.
Are there potential obstacles the chapter might face in implementing this? If so, what are they:

3. Participate in Theta Xi's Leadership Coaching program

[NOTE: The fraternity will be responsible for assigning the Leadership Coach, but the chapter president must do his part in maintaining communication with him.]

- We already do this!
- We do this partially/sometimes/occasionally....but not consistently.
- We are not doing this now, but we would commit to working on it.
Are there potential obstacles the chapter might face in implementing this? If so, what are they:

4. Demonstrate a commitment to academic excellence by maintaining an average chapter GPA of .2 above the campus all-men's average.

- We already do this!
- We do this partially/sometimes/occasionally...but not consistently.
- We are not doing this now, but we would commit to working on it.
Are there potential obstacles the chapter might face in implementing this? If so, what are they:

5. Utilize the Associate Member Core Education Program of Alpha Nine for a period not to exceed seven weeks and promote a true Associate Member philosophy.

- We already do this!
- We do this partially/sometimes/occasionally...but not consistently.
- We are not doing this now, but we would commit to working on it.
Are there potential obstacles the chapter might face in implementing this? If so, what are they:

6. Conduct a chapter-wide recruitment workshop each year, based on More Good Men (or other appropriate recruitment resources)

- We already do this!
- We do this partially/sometimes/occasionally...but not consistently.
- We are not doing this now, but we would commit to working on it.
Are there potential obstacles the chapter might face in implementing this? If so, what are they:

7. Ensure that at least 50% of Chapter Members provide leadership in campus or community organizations each academic year (e.g., active participation in clubs, organizations, outreach, community service agencies, church). Promote members taking on officer, committee chair, event planner, etc, roles.

- We already do this!
- We do this partially/sometimes/occasionally...but not consistently.
- We are not doing this now, but we would commit to working on it.
Are there potential obstacles the chapter might face in implementing this? If so, what are they:

8. Demonstrate interaction with alumni by ensuring undergraduate member participation in chapter alumni meetings or events

- We already do this!
- We do this partially/sometimes/occasionally....but not consistently.
- We are not doing this now, but we would commit to working on it.
Are there potential obstacles the chapter might face in implementing this? If so, what are they:

9. Form and maintain a Parents Club/Organization and/or provide parent programming each year (Dad's Day, Mom's Weekend, etc)

- We already do this!
- We do this partially/sometimes/occasionally....but not consistently.
- We are not doing this now, but we would commit to working on it.
Are there potential obstacles the chapter might face in implementing this? If so, what are they:

10. Maintain a clean and inviting chapter house that promotes a home environment that promotes mental, physical and spiritual growth

- We already do this!
- We do this partially/sometimes/occasionally....but not consistently.
- We are not doing this now, but we would commit to working on it.
Are there potential obstacles the chapter might face in implementing this? If so, what are they:

11. Elect the key officers of president and treasurer for terms of one full year, preferably to serve January through December

- We already do this!
- We do this partially/sometimes/occasionally....but not consistently.
- We are not doing this now, but we would commit to working on it.
Are there potential obstacles the chapter might face in implementing this? If so, what are they:

12. Demonstrate a commitment to broadening each individual's leadership opportunities by (1) making attendance at national and district leadership events a priority, (2) attending campus-sponsored leadership events, as appropriate, and (3) scheduling at least one chapter workshop/seminar each year that addresses some facet of leadership development.

- We already do this!
- We do this partially/sometimes/occasionally....but not consistently.
- We are not doing this now, but we would commit to working on it.
Are there potential obstacles the chapter might face in implementing this? If so, what are they:

13. Demonstrate a commitment to academic achievement by hosting at least annual academic success workshops for Chapter Members and guests (e.g. time management, study skills, note-taking, writing skills, test anxiety, etc.)

- We already do this!
- We do this partially/sometimes/occasionally....but not consistently.
- We are not doing this now, but we would commit to working on it.
Are there potential obstacles the chapter might face in implementing this? If so, what are they:

14. Demonstrate personal habits that lead to better mental and physical health by hosting or attending an annual health/wellness workshop for Chapter Members and guests (e.g., men's health issues, stress management, physical fitness, exercise safety, nutrition, attributes of successful relationships, etc.)

- We already do this!
- We do this partially/sometimes/occasionally....but not consistently.
- We are not doing this now, but we would commit to working on it.
Are there potential obstacles the chapter might face in implementing this? If so, what are they:

15. Maintain, or show progress toward obtaining, a membership level of at least 30 OR the average chapter size on campus, whichever is larger.

- We already do this!
- We do this partially/sometimes/occasionally...but not consistently.
- We are not doing this now, but we would commit to working on it.
Are there potential obstacles the chapter might face in implementing this? If so, what are they:

THE FRATERNITY AGREES TO PROVIDE:

1. **Leadership Coach** assigned to the chapter president for regular support and guidance throughout his term of office
2. Support and resources from Headquarters Staff, to include at least one campus visit per year, and telephone consultation for chapter executive officers, as needed. Support and at least one campus visit per year from the Leadership Coach assigned to the chapter president
3. Expenses (all on-site costs) for a **second chapter member to attend the Rising Stars Academy**
4. **Badges** for all new initiates at no cost to Chapter or the member
5. Provide a template to chapters, as needed, to assist with the production of electronic newsletters or web-site development to promote contact and communication with alumni and/or parents.
6. All True Men **grant monies** accessible by the Chapter on an annual basis for use each school year **for educational and leadership undertakings.**
7. A **press release** from the Fraternity will be sent to campus and community media outlets regarding the Chapter's **All True Men** commitment and award
8. A "**Leadership Transcript**" is available to graduating members of All True Men chapters. The transcript documents the member's involvement in chapter, district and national fraternity leadership experiences, and campus/community leadership involvement. (Great as a companion piece to a resume!)
